

3rd International Conference: Environment and Natural Resources Management in Developing and Transition Economies

8-10 October 2014 – CERDI – Clermont University
(Clermont-Ferrand, France)

Special Issue

Authors of papers accepted for presentation at the Third International Conference on Environment and Natural Resources Management in Developing and Transition Economies are entitled to submit their papers for possible publication in the Conference special issue of the *Resource and Energy Economics Journal*. Researchers who did not participate in the conference can also submit their work to this special issue.

We expect the special issue to make a significant contribution to the “Environment-Development Nexus” research field. Authors should clearly state their contribution in this specific field in their cover letter.

Submission Guidelines: Submitted papers will go through the regular review process. Papers should conform to the guidelines in the “Guide for Authors” (<http://www.journals.elsevier.com/resource-and-energy-economics/>).

Please mention in the cover letter that the submission is intended for the special issue of the “Third International Conference on Environment and Natural Resources Management in Developing and Transition Economies”.

Paper Submission Deadline: December 15, 2014
